CHIN-X

GENERAL

Art.Nr:	BE-594-250
GTIN:	4030281021827
Customs tariff number:	65070000

Net weight:	0.04 kg
Gross weight:	0.05 kg

DATASHEET

CHIN-X

The ergonomically shaped chin strap ensures optimum comfort and a secure fit, even during long periods of use. Thanks to the innovative magnetic Fidlock fastener, the strap can be opened and closed quickly and intuitively - even when wearing gloves.

The integrated safety function is particularly noteworthy: the buckle opens automatically at a tensile force of less than 500 N and therefore meets the requirements of EN 397:2012. This significantly reduces the risk of injury in hazardous situations.

The chin strap is compatible with all INCEPTOR GRX helmets and can be seamlessly integrated into existing equipment

The combination of comfort, ease of use and proven safety makes this chin strap the ideal addition to modern safety helmets for professional use.

FEATURES

Colour:	Black
---------	-------

Maximum lifetime:	10 years
-------------------	----------

Min. temperature:	-30 °C
-------------------	--------

Max. temperature:	50 °C
